

WHAT IS HOMEOPATHY?

ONTOXI

Homeopathy is a system of natural medicine, used by millions of people worldwide for more than 200 years to achieve wellness.

It is affordable and easy to purchase at local stores and online.

> Homeopathy is a federally recognized form of medicine regulated by the FDA.

It is non-toxic and can even be used with very small children and pets.

Homeopathy has been clinically effective for acute and chronic conditions for 200+ years.

There are **thousands** of clinical studies with positive outcomes.

www.homeopathycenter.org

Homeopathy is a unique system of medicine. Although homeopathic medicines are derived from natural substances, homeopathy should not be confused with herbal medicine, Traditional Chinese Medicine, essential oils, and other supplements.
