

Pico de Gallo also called salsa fresca

This is one of our favorite dishes which can be a side dish for any Mexican meal or a meal on its own with the addition of some chopped spinach and a tortilla or lettuce leaf to roll it up in. The amounts are an estimate since some like it with more tomato or more onion. The best way is to mix some up, sample it and add more of any ingredient you feel is lacking. All ingredients are chopped as fine as possible

1 large Tomato

1 large Onion

1 Pepper (green, red, jalapeno, ancho (poblano) Chipotle)

1 bunch cilantro greens

juice of 1 lemon or lime

Place all ingredients in a bowl and stir. If you like hot spicy foods, use the ancho , jalapeno, or chipotle peppers, If you do not like it hot, use bell peppers.
