

Chinese Blood Stimulator TCM Concentrate (formerly Blood Build) (30 capsules)
Stock #: 1005

Based on the theories of Traditional Chinese Medicine (TCM), this unique, concentrated herbal blend nutritionally supports the blood, liver, glands and general circulation to promote a feeling of well-being.

Blood Stimulator® TCM Concentrate contains the same 18 Chinese herbs found in Blood Stimulator®, but in a highly concentrated blend.

TCM (Traditional Chinese Medicine) philosophy names five distinct energies that permeate the body: Fire, Earth, Metal, Water and Wood. In order to feel your best, these energies must be in balance.

The Chinese call this formula bu xue, which translates as “to nurture the blood.” It is designed to strengthen a weakened wood constitution.

Wood concerns your liver, your primary organ of detoxification. Detoxification is one of the most important body functions, as it rids excess waste and promotes vitality.

In addition to the kidneys, the liver is a major facilitator of blood purity. But an effective blood cleanser must deal with all of the cleansing organs, including the colon and skin.

Blood Stimulator® may improve blood quality and purity and help strengthen the immune system. Not only does Blood Stimulator® help the body get rid of irritating toxins, it works to prevent more toxic buildup.

This herbal combination is “adaptogenic,” meaning it has a tonic effect on the glandular system. This helps normalize hormone production to relieve the stress

that comes from hormone imbalance.

Benefits:

- Supports healthy circulation and improves blood quality.
- Strengthens the immune system.
- Soothes nerves & muscles to encourage an overall feeling of well-being.
- Helps maintain healthy skin complexion.

Ingredients:

Quality Assured:

Our Chinese herbal blends carefully follow the principles of ancient Chinese Medicine that have been practiced for more than two millennia.

For more than 35 years, we've partnered with the same incredible vendor to collaborate with farmers in traditional communities to bring only the finest herbs from China to the US. And we've conducted multiple on-site audits throughout the years to re-verify the quality of both their facility and herbs.

Our farmers are deeply attached to the land they have lived on and worked for generations, and they practice regenerative farming methods to preserve it for future use.

Recommended Use:

Take 1 capsule with a meal daily.

NOTE: Pregnant or lactating women should consult their health care provider prior to taking this supplement.
